SUMMARY

I am a versatile, hardworking, constantly learning, and efficient individual who has held multiple roles as a Kannada Author, a Freelance Web Developer, and a Filmmaker. Born in a rural village, I completed my schooling in Sagar Tq and Shivamogga. After leaving my ECE studies, I started to write a book, obtained a film-making diploma, and published my first novel, I self-learned web development and started to build real-world freelancing projects and I am keen on using my web of knowledge for the betterment of an organization.

ADDRESS

- S/O AR Chandrashekar, Mankalale village, Sagar talluk, Shivamogga district, PIN-577401

PROFESSIONAL EXPERIENCE

Web Developer

Freelancing | 2022 - Present

- I built the official website for newly renovated Shambhulingeshwara Temple, Sagar Talluk using NextJS - https://shambhu.vercel.app/
- Work Showcase for a sculptor & a visual artist - https://manaswi-hegde.vercel.app/
- Talent showcase for a film maker (in development)
- A portfolio website for a SDE - https://vijeth-m-s.vercel.app/
- I built an official website for a blogging company SUM-IT using MERN Stack and NextJS- (in development)

Writer | Assistant Director | Line Producer

Under Adarsh Eshwarappa and others | 2019 - 2021

- I have written few scripts for both feature films and short films.
- I have assisted the direction of few short films and also I myself wrote and directed a short film.
- I have worked as a line producer for a Khathak Dance video featuring Sohini Karanth.

ACHIEVEMENTS

- I wrote and published a Kannada novel called 'Samyagana' at the Kannada Sahitya Sammelana in Sagara. The novel consists of 76,000 words. This project aided me in developing deductive reasoning skills and making connections.
- Additionally, I successfully completed a Diploma in Film making from Tent Cinema, Bengaluru. I took on the roles of writer, director, and actor in various short films, which enhanced my communication, leadership, and teamwork abilities.
- Furthermore, I independently learned web development from the ground up and earned income through freelancing. This experience greatly contributed to my problem-solving skills.
